

Forklift Licence Course

ICG Training and Consultancy Services Pty Ltd's Forklift Licence Course is tailored to provide students with the knowledge and practical skills required to operate a forklift truck safely in accordance with relevant legislative requirements.

The **Forklift Licence Course** is designed to equip students with the confidence and competence to operate a forklift truck equipped with lifting media made up of a mast and an elevating load carriage to which is attached a pair of fork arms or other attachments that can be raised 900 mm or more above the ground. This course does not include pedestrian-operated or pallet trucks.

From the guidance of our highly skilled and experienced trainers, you will learn how to:

- Safely operate a forklift including starting, steering, manoeuvring, and stopping.
- Correctly lift, carry, and place loads.
- Understand relevant legislation, standards, and safety procedures.
- Conduct inspections and perform routine maintenance.
- Safely stack and de-stack loads.
- Identify hazards, implement risk controls and respond to emergencies.

Delivery Mode

This course is delivered face-to-face in a classroom setting with theoretical knowledge and practical training and assessment activities in a simulated work environment.

Cost

Full cost of this course is **\$575** (GST exempt).

Target Cohort

This course targets individuals who may be required to operate a forklift truck as part of their work.

Unit of Competency

TLILIC0003 - Licence to operate a forklift truck

Duration

Class based theoretical and practical learning and assessment conducted over **2 days** (14 **hours**).

Location:

ICG Training and Consultancy Services Pty Ltd
44 Cockers Creek Rd,
SPREYTON TAS 7310

OR at your workplace.

How to Obtain your Forklift Licence

To obtain a forklift licence in Tasmania, participants who successfully complete this training must apply to [Service Tasmania](#) within **60 days** by:

- Completing the [Licence to Perform High Risk Application form](#)
- Taking the application form, their Assessment and Interim Summary Assessment issued by an accredited assessor, as well as the identify documents to a [Service Tasmania](#) outlet
- Paying the applicable fee

At the time of lodgement, the participant's details and identification will be checked and the fee accepted. Their application will then be forwarded to WorkSafe Tasmania for processing and the card will be sent to the applicants nominated address.

Study Commitment

The amount of training and assessment required depends on your contribution to your own learning, and your ability to acquire the theoretical components of the program and demonstrate competency.

Students to Supply

Student will access industry appropriate equipment and resources when participating in the practical activities.

Students will be required to source their own:

- Clothing and footwear appropriate to practical training including rubber soled steel capped boots

How to Enrol

All prospective students are to complete an application for enrolment form.

A Unique Student identifier (USI) will be required prior to enrolling into this program. Refer to the Australian Government USI website, where you can:

[Check if you have a USI](#) or [Get a USI](#)
