

# EWP Licence Course

ICG Training and Consultancy Services Pty Ltd's Elevating Work Platforms Licence Course is designed to equip students with the essential knowledge and practical skills required to safely and effectively operate elevated work platforms (EWPs), including boom-types, in a variety of settings, such as uneven terrain.

The EWP Licence Course covers the skills and knowledge necessary to operate a boom-type EWP with a boom length of 11 metres or more, in compliance with all relevant legislative requirements. The training ensures participants are proficient in the safe operation of these platforms, addressing both routine and emergency situations to ensure the well-being of all individuals involved.

Additional steps, including assessments conducted by the relevant regulatory authority, are required to obtain the WP licence.

From the guidance of our highly skilled and experienced trainers, you will learn how to:

- Safely operate boom-type elevating work platforms (EWPs) with a boom length of 11 metres or more.
- Correctly position and stabilise EWPs on various terrains.
- Conduct pre-operational checks and routine maintenance of EWPs.
- Understand and comply with relevant legislation, standards, and safety procedures.
- Identify hazards, implement risk controls, and respond to emergencies.

## Delivery Mode

This course is delivered face-to-face in a classroom setting with theoretical knowledge and practical training and assessment activities in a simulated work environment.

## Target Cohort

This course targets individuals who may be required to operate an elevating work platform with a boom over 11 metres as part of their work.

## Unit of Competency

TLILIC0005 Licence to operate a boom-type elevating work platform (boom length 11 metres or more) (Release 2)

## Duration

Class based theoretical and practical learning and assessment conducted over **2 days (14 hours)**.

## Location:

ICG Training and Consultancy Services Pty Ltd  
44 Cockers Creek Rd,  
SPREYTON TAS 7310

OR at your workplace.

## Entry Requirements
